AcademyHealth is the leading national organization serving the fields of health services and policy research. The EDM Forum is an AcademyHealth initiative supported by the Agency for Healthcare Research and Quality (AHRQ) through the American Recovery and Reinvestment Act of 2009, Grant U13 HS19564-01. We would like to especially thank our project officer at AHRQ, Dr. Gurvaneet Randhawa; the EDM Forum Steering Committee Chair, Dr. Ned Calonge; and the authors and commentators who devoted so much time and energy to the papers in this supplement.
